RE: CC Docket No.02-6- Appeal for Invoice Deadline

To Whom It May Concern:

Advanced Communications Technology, Inc. (ACT) with spin 143027419 is filing an appeal for reimbursement in the 2014 SLF funding year as we mistakenly believed October 29, 2015 to be the deadline for invoice submittal.

Following our receipt of the FCC 486 confirmation forms on October 26th, 2015 the request was processed and ultimately USAC was invoiced today, October 29th. While addressing a completely separate issue with USAC, we were informed that the actual deadline for invoice submittals was Wednesday, October 28th, thus ACT did in fact miss the deadline by a day.

While we understand the deadline was missed, we respectfully request that you consider our appeal and accept the invoices as listed below:

School	471 App #	FRN	Amount
Sheridan County School District #2	972641	2648119	\$32,994.00
Sheridan County School District #2	972641	2648196	\$3,061.88
Fremont County School District #38	963911	2619220	\$14,459.15
Fremont County School District #38	963911	2619259	\$3,177.28

Please feel free to contact me directly at 307-675-0907 with any questions or concerns you may have. Thank you for your time and consideration of ACT's appeal..

Sincerely,
